DESCRIPTION

12 punk rock bedrooms displaying and listing memorabilia from each of the top punk bands. "The bedroom wall and what to cover it with has always been a dilemma through the ages as we reveled in our teenage/rebellious glory. Posters, flyers, ticket stubs badges tour programs and record sleeves. Items we gathered, begged and stole were carried home after sweaty nights in clubs and pubs. Tape and blu tack in hand we tried to find a place to add our new additions. I always thought it would be great to show the punk rock items of what I call 'the class of '76' groups I had gathered over the years in a bedroom setting. Each room could have a different theme. **Blondie, Buzzcocks, The Clash, The Damned, Generation X, The Jam, Ramones, Sex Pistols, Siouxsie and The Banshees, The Stranglers**, and maybe a mixed Punk Room with all the above and some smaller bands to fill out the story. Maybe I could then put all that in a book to show the beauty of it all. So I did and here it is. I hope all this madness might bring back some fond memories for you as you flick through these pages." - **Mal-One**
