#### DESCRIPTION

"You've got to listen to this band, you'll really like them, I know." A Colourful Storm presents the first-time vinyl issue of **Blueboy's** *The Bank Of England*, originally released in 1998. The group of **Paul Stewart, Keith Girdler, Cath Close, Ian Gardner, and James Neville** are Sarah Records royalty alongside **The Field Mice, Heavenly, The Wake, and The Orchids**, and this is the final recording from arguably the most beautiful, afflicted band of '90s indie-pop and DIY. One of the true treasures of modern pop music. Mastered from the original recording tapes with assistance from Sarah Records and Shinkansen Records' own **Matt Haynes**. Full color reverse-card LP sleeve with printed insert.
