### DESCRIPTION

Agipunk announces the release of **Astio's Bocche Stanche**. Astio come from Trento (northern Italy) and have members who have played with bands like **Left In Ruins**, **Impulso**, and **Tuono**. This new combo delivers something really far from their typical fast/crusty/old schoolish noise; indeed this is catchy peace/post-punk sung in Italian with hints of saxophone here and there. Imagine **Wipers** playing **Gang Of Four** (or vice versa) after having listened all day to **Chain Cult**.
