### DESCRIPTION

The prolific **Kink Gong** (aka Laurent Jeanneau) returns in a unique duet with one of the most prominent artists of the Chinese avant-gardist scene, **Li Daiguo**. Kink Gong and Li Daiguo first met in Chengdu (capital of Sichuan Province, China) while playing the same night at the Jahbar music venue. A few months later, as they become neighbors in Cai Cun, a village near the old town of Dali (Yunnan), Kink Gong begins recording Daiguo playing pipa, cello, and zheng. He then proceeded to deconstruct these recordings while adding voices that he mainly recorded in Yunnan Province. This fantastic combination of field recordings, experimental folk melodies, and electronic treatment leads its listeners to a fourth underground universe reminiscent of **Jon Hassell's** finest hours. Includes download.
