DESCRIPTION

This is one from the heart. The unique pre-war music of the Cajun bayous, the Carpathian Mountains of Ukraine and Poland, and the American rural countryside has been collected to narrate the human odyssey of love gained and love lost. Early songs of unbridled anticipation and desperate longing color the canvas of love, courtship, dejection and marriage... a never-ending cycle. The accompanying 16-page booklet features many rare, previously unpublished images and comprehensive lyrical translations. Three original artworks by **Robert Crumb** provide a backdrop for these sublime songs of passion and despair. Respectfully crafted by **Christopher King** and **Susan Archie** for Angry Mom Records.
