### DESCRIPTION

**Sonic Interventions** is a diaspora-futuristic band of interdisciplinary artists from five continents. Emerging in 2020 from the transcultural Berlin Jazz scene, the group unites diverse languages, instruments, rhythms and dance for collective meditation and healing, improvisation and groove. Since then, the band has established itself as one of Berlin's most acclaimed underground jazz collectives. Known for inclusive live spectacles, in which moments of meditation and trance rise into heavy grooves, traditional rhythms of the African and Latin American continents coalesce with urban styles such as hip hop, trap, and house. The band combines poetry and dance inspired by the cosmos, ancient alchemy and world mythologies. For fans of **Sun Ra Arkestra, Fela Kuti, Alice Coltrane, Parliament-Funkadelic, Embryo, Makaya McCraven, Gil Scott Heron, Bab L' Bluz, Mestizo, Shabaka Hutchings, Balimaya.**
