DESCRIPTION

Re-release of **Blue Chemise**'s debut LP *Influence On Dusk*, which originally appeared in 2017 as a limited private release of 105 copies. BAADM make this much sought-after record available again on both physical and digital format, with remastered sound by **Christophe Albertijn** and updated artwork, all true to the original intentions of, and in close collaboration with, the artist. *Influence On Dusk* forms an idiosyncratic cycle of fourteen mysterious, sometimes uncanny electroacoustic compositions, a personal and subdued eruption of "melancholy of the healthy kind," suddenly here and suddenly gone. This is the second release on B.A.A.D.M. by the Australian artist **Mark Gomes**, following his equally atmospheric but more romantic *Flower Studies* from 2021.
