DESCRIPTION

The fourth album by **Love Battery**, *Straight Freak Ticket* (1994), now out for the first time on vinyl. Remastered by **Jack Endino** (**Nirvana**, **Soundgarden**, etc.) *Straight Freak Ticket* is the fourth album by Seattle alternative rock band Love Battery. It was originally recorded in 1994 and released only in USA and on CD format – now it is being released on vinyl for the first time. The **Seattle Post-Intelligencer** called the album "a solid, well-produced album of guitar-based rock with catchy hooks and a strong dose of psychedelia." **USA Today** labeled the album "a psychedelic tour de force and dramatic leap forward," writing that "the antigrunge guitar riff-o-rama of **Ron Nine** and **Kevin Whitworth** propels the Seattle quartet's most adventurous and listenable tunes to date." The band, featuring members of **Mother Love Bone**, **Green River**, **Skin Yard**, **The Presidents of the USA**, is: Ron Nine (vocals, guitar), Kevin Whitworth (guitar), **Jason Finn** (drums), and **Bruce Fairweather** (bass).
