DESCRIPTION

Founded in the southern German city of Bietigheim-Bissingen by **Heiko Maile**, **Oliver Kreyssig**, and **Marcus Meyn** in the year 1984, the band **Camouflage** scored an unexpected international hit with their debut album *Voices & Images* in 1988. Their sophomore album *Methods Of Silence*, released just a year later, was an even bigger success. Songs like "The Great Commandment" and "Love Is A Shield," went on to become perennial classics of the synth pop genre. Heiko Maile and Marcus Meyn recorded their fourth album *Bodega Bohemia* in the synthsound studio of Belgian producer and electro-pop pioneer **Dan Lacksman**. It was released on 26 April 1993. To mark the 30th anniversary of the album, the band opened up the archives to assemble a special bonus edition including a wealth of rare and unreleased recordings.
