DESCRIPTION

Beat Records relaunches on the market the classic OST by **Ennio Morricone** for the Western film *Le pistole non discutono*, directed in 1964 by **Mario Caiano** and starring **Rod Cameron, Ángel Aranda, Vivi Bach, Horst Frank, José Canalejas, Kay Fisher, Joseph Martin, Hans Nielsen, Dick Palmer, Judy Robbins, and Andrew Ray**. For this film, Ennio Morricone composed the song "Lonesome Billy," a Western ballad with an American sound introduced by guitars and whistle with the voice of **Pete Tevis** (who also wrote the lyrics). *Le pistole non discutono*, a cavalcade theme for orchestra with horns alternated to dramatic orchestral passages such as "Gli indiani" and the percussive "Le pistole non discutono (#2)" with accompanying harmonica. This OST is also characterized by the burlesque motif "La ragazza e lo sceriffo" and Mexican mariachi music performed on solo guitar and also with female vocals. This CD, with a total duration of 41:45, was assembled using the mono masters of the original sessions, with the inclusion of the three stereo mixes that Maestro Morricone authorized for the previous edition released years ago. Mastering and liner notes by **Claudio Fuiano**, graphic layout by **Daniele De Gemini**.
