DESCRIPTION

Aurélien Hamm aka **Saint DX** introduces his debut album, *Way Back Home*. Although introspective and meditative, this album is more collaborative than ever: it features **Ponko** and **Prinzly**, with whom he co-produced Belgian rapper **Damso**'s *QALF* album, as well as his friend and pianist **Paul Prier** and **Jules Fradet**. Renowned producer for Damso and **Disiz**, Saint Dx first came to prominence by accompanying **Charlotte Gainsbourg** on keyboards on her tour for the album *Rest*. His pop and electronic- original soundtracks inspirations can be called "ultra-classy pop" and romanticism. His new single "Late" begins with an emotive, liberating cry and captivates with its potent synths.
