DESCRIPTION

Toujours l'été is the very first **Les Nègresses Vertes Best Of** on vinyl. 12 classic tracks pressed on white vinyl. Les Nègresses Vertes are a cult French alternative band formed in 1987 with a unique sound. The original line up was a group of nine friends, some of whom never played music before. They can best be described as a fusion of world music and alternative rock. Their particular music influences were Raï, Mediterrean music and French café/chanson française. After two cult albums *Mlah* (BEC 5543328) and *Famille Nombreuse* (BEC 5543330) and the death of former charismatic singer **Helno**, the band decided to keep on playing with **Stéphane Mellino** and **Matias Canavese** replacing Helno. After *Zig-Zague* (BEC 5543333) and *Trabendo* (BEC 5543327), they disbanded in 2001. Following a few live reunions, Stéphane and **Iza Mellino** reformed the band in 2018 to celebrate the 30th anniversary of *Mlah* with an intensive French tour. They have kept playing since. Longue vie aux Nègresses Vertes!
