DESCRIPTION

The principles of pleasure radiate a knowing, carnal heat throughout the genre-fluid sound of **LSDXOXO**. His decade of dedication to the sensibility of underground club culture has brought forth club classics interwoven with pop music hooks and subversive, tongue-in-cheek lyrics. After four years of what LSDXOXO, real name **RJ Glasgow**, calls a period of "healing and self-discovery," he is consolidating his multiplicitous sound with one compelling masterstroke: the debut album *Dogma*. *Dogma* marks a complete paradigmatic shift: it is a poetic and fantastical performance, a route for deep escapism through an expanded musical palette including piano and guitar, and a deeply personal confessional through a fresh approach to song-crafting. Within *Dogma*, RJ meditates on the interlinked qualities of fame, infamy, lust and submission, as he rediscovers a pure, unadulterated approach to music-making, all the while adopting a futurist approach to pop music appreciation. RJ's unmistakable signatures – the smutty dancefloor caller, the maker of irresistible bangers, the latter-day electroclash and DnB nostalgist – take on even more shades and intricacies. The lead single "Ghost" reaches beyond RJ's Philadelphia origins to find itself in the deep south, in a sultry fever dream of coquettish R&B featuring backing vocals from close collaborator **Kelela**. Elsewhere on the album futuristic love, pensive pop earworms, evocative vintage dance styles and sleazy club tracks intermingle. While the *Dogma* era will eventually explore remixes and reworks, the album is RJ's purest embrace of himself and his artistry. RJ first garnered attention as LSDXOXO in New York City with his on-the-pulse Soundcloud edits and then as part of the cult **GHE20GOTH1K** collective. His DJ sets and productions quickly earned him acclaim across globally-linked underground scenes. His decision to shift from sampled vocals to picking up the pen and microphone pushed his reach out to the stratosphere; his association with XL Recordings via the *Dedicated 2 Disrespect* EP in 2021 was a turning point for the burgeoning superstar. Also featuring **Rochelle Jordan**.

TRACKLISTING

- A1. Repeat (Interlude)
- A2. 4lurn
- A3. Brand New
- A4. Girls Girls Girls
- A5. Ghost
- A6. Blinded (feat. **Rochelle Jordan**)
- B1. Witching Hour
- B2. Black Light
- B3. Wasteland
- B4. Bloodlust
- B5. Superstar

HIGHLIGHTS

- After four years of what **LSDXOXO (RJ Glasgow)** calls a period of "healing and self-discovery," he is consolidating his multiplicitous sound with one compelling masterstroke: the debut album *Dogma*.
- *Dogma* marks a complete paradigmatic shift: it is a poetic and fantastical performance, a route for deep escapism through an expanded musical palette including piano and guitar, and a deeply personal confessional through a fresh approach to song-crafting.
- The lead single "Ghost" reaches beyond RJ's Philadelphia origins to find itself in the deep south, in a sultry fever dream of coquettish R&B featuring backing vocals from close collaborator **Kelela**.
