DESCRIPTION

Keziah Jones is back with a new concept album entitled *Alive & Kicking*, recorded live in Lagos at Clout Africa Studio. It not only includes all his classics revisited "live in studio," but also two brand-new singles (studio) "Melissa" and "Rainy Saturday," his first since 2013. And as bonus, two covers of **Ricky James'** "Below The Funk (Pass The J)" and **Police's** "The Bed's Too Big Without You." Keziah Jones was born and raised in Lagos, Nigeria. Since the early '90s he has been the creator of the blufunk movement, "a fusion between raw blues elements and hard, edgy funk rhythms." His catalog includes iconic songs such as "Rhythm Is Love" and "Million Miles from Home." Keziah is known for his distinctive style of guitar playing, particularly his percussive right-hand technique. Includes booklet.
