DESCRIPTION

2024 repress. **Breakwater**'s earth-shattering "Release The Beast" is unquestionably the standout song from their 1980 funk masterpiece LP *Splashdown*. "Release The Beast" is a showcase for Breakwater's phenomenal power-funk capabilities. The energy is astounding. It also came out as a now-hen's-teeth-rare 7" in the same year; It's one of the best album cover shoots of all time. For the B side, Be With Records backed Breakwater's biggest track with their favorite: the quietly majestic gem "Let Love In", another winner from the same LP. Remastered for this vinyl reissue. Picture sleeve.
