DESCRIPTION

Regardless of your tribal affiliation – whether you have one or not – **Edric Connor**'s "Manchester United Calypso" is an undisputedly joyous, soulful classic. Like the bunch of bouncing Busby Babes, the song sought to raise up, it's remarkable, stylish and profoundly memorable; and its magical legacy has only grown in the 70 years since it first surfaced. A testament to its enduring brilliance, "Manchester United Calypso" is heard to this day on the terraces of Old Trafford and beyond. However, it's impossible to find a copy of the original 78rpm shellac release or, indeed, the 45rpm vinyl. So, Be With is delighted to reissue this unforgettable anthem – with **Lord Kitchener**'s equally dazzling "Manchester Football Double" on the B-Side – and make it available on 7" vinyl to United fans of any vintage; as well as fans of vintage calypso fire! Featuring typically striking, specially commissioned artwork from the legendary **Stan Chow**, this record is a collector's item for the ages.
