## DESCRIPTION

Geneva-based duo **Bound By Endogamy** delivers a heavy blend of rave, synth-punk, and industrial music. **Shlomo Balexert** and **Kleio Thomaïdes** are both prominent figures in the local squat and punk scene, having been involved in numerous projects over the past decade. Following several cassette releases and a remarkable debut 7" on Lux Records, the band presents a self-titled album that combines raw, growling basslines, crisp analog rhythms, and passionate vocals ranging from breathy to fiercely cutting. On stage, the project consists of drums, a sampler, and vocals. Shlomo handles the drums alongside sharp synthesizers, while Kleio delivers powerful vocals reminiscent of a professional boxer. Expect a fusion of **DAF** and **Kleenex** with a hardcore edge.
