DESCRIPTION

After a successful tour following the release of *Alors Quoi* (BJR 061LP, 2022) on Bongo Joe records, accompanied by a drummer/percussionist change, the prospect of what comes next naturally arose. Elements surfaced, including a desire for more low frequencies, a fascination with the marimba/vibraphone, and a liberating indifference to the difference between recorded and live performances. To evolve, the team collaborated with outsider **Kwake Bass**, known for collaborations with **Kae Tempest**, **Tirzah**, **Mica Levi**, and others. Despite aesthetic differences from **Meril Wubslin**'s previous albums, this divergence was seen as key – an enriching risk that resulted in a unique blend of influences. The acoustic core of Meril Wubslin now embraces electronic elements, revealing a more powerful and urban dimension. While maintaining a commitment to French lyrics, the themes explore the concrete yet remain grounded in the intimate and the sensitive, avoiding overly clear and univocal messages.
