DESCRIPTION

Great collaboration by **Appleblim**, **Deadbeat** and **Shackleton**. For anyone with a penchant for dub-wise low-end sonics and bleeding edge beat science over the last two decades seeing any one of these names on their own on a record would make it something well worth having a listen to. Having all three together on the same record however very easily launches it into the realm of "buy on sight". Comprised of four side-long tracks previously only available via the BLKRTZ Bandcamp page, *Dub Conference Vol 1* sees these three masters of bass weight meditations exploring some of the most low-slung and psychedelic corners of their respective catalogues. Vinyl-only and strictly limited edition, this is a meeting of the minds not to be missed.

TRACKLISTING

01. **Appleblim** - Warsaw (10:24)
02. **Appleblim/Shackleton** - Warsaw (**Shackleton** Remix) (9:20)
03. **Appleblim** - Bladed Shogun (9:05)
04. **Appleblim/Deadbeat** - Bladed Shogun (**Deadbeat** Remix) (12:16)
