### DESCRIPTION

*Metal.wet* is the new album from mercurial avant-pop shapeshifters **Soft as Snow**. Ten tracks of beat-driven synth-pop featuring analogue synths, samplers, live drums, and processed guitars, with **Oda Starheim**'s evocative and layered vocals at the center of it all. Recorded in Berlin and Marseille, the album is an ambitious and atmospheric step forward for the duo, exploring themes of vulnerability and sensuality with a confident and uncanny approach to experimental pop production. Includes insert with lyrics. Mastered by **Heba Kadry**. "Whip" features London-based MC **Brother May**.
