DESCRIPTION

Digitmovies presents the original soundtrack by **Nico Fidenco** for the film *Blue Jeans*. An EP single (RCA, TBBO 1114) was originally released with the songs "Blue Jeans" and "A Final Step", performed by the group **Cyan**, which open sides A and B. For this LP, Digitmovies used the original tapes in full stereo that were preserved in the RCA archives. Nico Fidenco composed a pleasant soundtrack with a pastoral flair which is dominated by the main theme, a romantic ballad where you hear a faster and slower vocal version. It is then reprised with different instruments: cheerful and rhythmic flute, harmonica and orchestra, harmonica and strings with a touch of country, harpsichord, and classic guitar. Directed in 1975 by **Mario Imperoli**, *Blue Jeans* starred **Gloria Guida, Paolo Carlini, Annie Carol Edel, Gianluigi Chirizzi, Mario Pisu, Marco Tulli, Barbara Betti, Rino Bolognesi, Domenico Bua**, and **Mario Di Girolamo**. The soundtrack appears here for the first time on vinyl; edition of 300.
