### DESCRIPTION

Reverse side print. Another lost gem from the non-jazz Verve catalogue, *Color Him In* is a daydream experience from loner singer/songwriter **Bobby Jameson**. Released in 1967, the album is an orchestrated psychedelic trip, so it's no surprise then Jameson had a part in the cult film *Mondo Hollywood*. Produced by **Curt Boettcher** the album had several psych-pop numbers with rare female vocals harmonization.
