DESCRIPTION

Captivating, hypnotic, and highly energetic! **Prepared** – a free-spirited Munich-based trio in a chamber music line-up that instinctively awakens dance impulses and guides the listener into a trance-like sound space. A pianist who hammers, taps and plucks incessantly on the grand piano. A clarinetist who plays more bass than clarinet in the depths of his bass clarinet. And a drummer who, like a good record, goes on and on, constantly spinning the grooves in circles. Three Munich jazz musicians, united in their contrasts. Where one plays Argentinian tango with **Quadro Nuevo**, the other plays "folklore-free folk music" with **Dreiviertelblut** and the third plays German hip-hop with **Moop Mama**, in their new project Prepared they merge cyclical motifs and cleverly layered patterns in minimalist yet highly virtuoso compositions creating a mesmerizing Gesamtkunstwerk. It's as if **Steve Reich**, **Jonny Greenwood**, **Nik Bärtsch**, and **Dawn of Midi** had been thrown into a pot. For a "state-of-the-art" immersive music production, the music was tracked "live" in one room without any overdubs. This album has been recorded using high-class 3D recording and miking techniques for Dolby Atmos and was mixed and mastered by highly acclaimed sound engineers. Recorded by **Kseniya Kawko** at Kyberg Studio, Munich, mixed by **Kseniya Kawko** at MSM Studio, Munich and mastered by **Christoph Stickel** at csmastering, Vienna.
