### DESCRIPTION

Cold Spring Records announce the long-awaited reissue of *Stolen & Contaminated Songs*, **Coil's** 1992 album. *Stolen & Contaminated Songs* was recorded and produced by Coil in 1992. It is comprised of over 60 minutes of outtakes and unreleased songs, evolved during the recording sessions for their prior album, *Love's Secret Domain* (1991). A wealth of superb material showcasing the diversity of Coil: dark, violent, vivid, and fractured, yet cohesive and beautiful. Combined with the latest studio technology and Coil's ever-evolving production skills, *S&C Songs* walks a fine line between tradition and innovation, continually creating semi-abstract soundscapes with a cinematic quality. CD version comes in six-panel digipak. Presented for the first time on vinyl here. Standard Double-LP version comes on sumptuous 180 gram vinyl; housed in a glossy 350gsm gatefold sleeve. Limited edition bone-color vinyl version comes in an edition of 800.
