DESCRIPTION

Removing the obligatory piano from his group for *Tomorrow Is The Question!* gave an inkling of **Ornette Coleman's** need to break free from traditional jazz strictures. Though not nearly as wild as what was to follow, on *Tomorrow* Coleman and trumpeter **Don Cherry** make use of every opportunity to bust loose musically, as heard on "Giggin'" and "Rejoicing," even as the rhythm section strives to keeps things anchored and grounded. There's a touch of blues bordering on funk on "Tears Inside" too, and "Endless" switches timeframes repeatedly. This is Ornette on the brink of major change – an engaging, instructive listen with unexpected twists.
