DESCRIPTION

Originally released in 1959, this is **Blue Mitchell**'s third release as a leader. The brilliant trumpeter is joined by an all-star lineup that includes **Wynton Kelly** on piano, **Philly Joe Jones** on drums, **Sam Jones** on bass, **Curtis Fuller** on trombone, and **Jimmy Heath** on tenor sax. A great piece of forgotten late '50s hard-bop, it is truly a treasure of an album finally resurrected by Wax Love. This is one of the most precious jazz recordings of a year that would soon give way to the Blue Note sound, and is in many real and important ways as much of a prelude as any other statement. It's a must-have for all serious mainstream jazz fans. Clear color vinyl.
