Store Price

\$9.39

Release Date

04/05/24

Territory

NORTH AMERICAN EXCLUSIVE

Genre

FILE UNDER - P - ROCK

DESCRIPTION

Elvis Presley's self-titled debut album forever changed popular culture on release in 1956, its earthquake aftershocks still felt some 65 years later. Gritty adaptations of **Carl Perkins'** "Blue Suede Shoes," **Ray Charles'** "I Got A Woman" and **Little Richard's** "Tutti Frutti" helped make it the first rock and roll album to top the Billboard charts, where it remained unchallenged for a full ten weeks. The iconic cover image with its distinctive lettering, showing Presley brandishing his acoustic guitar, helped embed the instrument in rock mythology too, indelibly changing how we conceive of the genre and its axemen. *Elvis Presley* proved that he was already the undisputed "King of Rock 'n' Roll," just as he still is today.

TRACKLISTING

- A1. Blue Suede Shoes
- A2. I'm Counting On You
