DESCRIPTION

A pioneer of bebop, **Max Roach** went on to work on many other styles of music and is generally considered alongside the most important drummers in history having worked with such musicians as **Coleman Hawkins**, **Dizzy Gillespie**, **Miles Davis**, **Duke Ellington**, **Charlie Parker**, **Stan Getz**, and more! A seminal set, stretching out towards the directions Max would explore fully on the Candid, Impulse, and Fantasy labels in the '60s. Group members include **Booker Little** on trumpet, **George Coleman** on tenor, **Ray Draper** on tuba, and **Art Davis** on bass – and the lack of a piano makes for a very exciting sound!
