DESCRIPTION

Extra Muros - Czech Republic is the result of the fourth edition of FLEE's creative residency program which took place in December 2022 on the dance floor of Prague's most infamous nightclub, Ankali. For two weeks on wooden floor, and under a yellow-tinted skylight, the room usually filled with movement and vibrations became home to six musicians and producers from the Czech Republic and all over the world who came together to experiment on new sounds, inspired by a large variety of artistic environments and soundscapes. Documenting from various perspectives the music production process, capturing those exchanges, this compilation celebrates a unique form of artistic expression and collaboration. Featuring **Haich Ber Na, Oliver Torr, Andriy Kostyukov, Timmi, Jay Glass Dubs**, and **Rlung**.
