DESCRIPTION

An ingenious musician with a harmonious sense of melody, French pianist and composer **Maxence Cyrin** releases *Passenger*, his ninth album, composed and performed entirely on the piano. With influences ranging from **Ryuichi Sakamoto** and **Brian Eno** to **Philip Glass** and composers such as **Erik Satie** and **Frédéric Chopin**, this album weaves together ambient, minimalism and neo-classical music. This time around, the artist has sought to convey his emotions and ideas in a more intuitive and spontaneous way, even keeping improvisations such as "Under A Glass Bell" and "Dive" recorded during a residency in Brittany. Maxence Cyrin is one of France's most internationally acclaimed pianists.
