DESCRIPTION

Tikhet are **Sepalot** and **Angela Aux**. Each of the ten tracks on *mixtape suite* is likely to evoke such absurd associations in music lovers. The album authentically and unpredictably creates a feeling of total boundlessness with a global approach. Effortlessly uniting an entire record shop within itself. One time you think of **Madlib** or the **Bee Gees**, then of **Joan Baez** or **Amon Düül**, other times of **Beck** or **Gorillaz**. Between boom bap and Krautrock, disco styles, folk references and trip-hop vibes spread out organically. Analogue percussion blurs with '90s sampling sound aesthetics. Tikhet sounds unplanned and anarchic, with a raw core and some well-rounded patina on the outside. Featuring **Feekind**.
