DESCRIPTION

Next Wave Acid Punx DEUX is the second compilation for Eskimo Recordings compiled and curated by Berlin-based Musician and DJ **Luca Venezia**, aka **Curses**, to explore the darker side of club music. *Next Wave Acid Punx DEUX* features a mammoth 49 tracks that join the dots between early industrial pioneers **Throbbing Gristle**, EBM legends like **Nitzer Ebb**, and the post-punk experiments of people like **Malcolm McLaren** and **Big Audio Dynamite** with some of the most exciting artists around today, such as **Boy Harsher**, **Nuovo Testamento**, and **Years of Denial**. Where the first *Next Wave Acid Punx* compilation was a personal journey for Luca, a lockdown inspired exploration of his record collection to find the thread that ran through the music that had soundtracked much of his life, *DEUX* is a celebration of that music let loose on the world, the thrill of music performed live, the smoke and strobe filled clubs you'll hear it in and the artists you'll find on those stages. Featuring **Mary Möör**, **Sad Lovers & Giants**, **Cabaret Voltaire**, **Clan Of Xymox**, **In Sotto Voce**, **Psyche**, **Propaganda**, **DAF**, **Vicious Pink**, **Book Of Love**, **Absolute Body Control**, **Boytronic**, **The KVB**, **Cardinal & Nun**, **Jennifer Touch**, **Matrixxman**, **Years Of Denial**, **Silver Tears**, **Essaie Pas**, **Aili x Transistorcake**, **Dina Summer**, **Patriarchy**, **Maelstrom & Louisahhh**, **Dame Area**, **Kris Baha**, **Desire**, **Blind Delon**, **I Hate Models**, **Poison Point**, **Roe Deers**, **Mariana Saldaña**, **Silent Servant**, **J.W.B. Hits The Beat**, **Hungry Boys**, **Autumns**, **Buzz Kull**, **Soft Crash**, **Dame Bonnet & Mufti**, **Ultra Sunn**, **Neu-Romancer**, **EVA**, **Andi vs Randolph & Mortimer**, **Zanias**, **The Hacker**, and **Paradox Obscur**.
