DESCRIPTION

2015 repress. The astonishing sessions that went light years beyond "free jazz" improvisation to create a music of deeply felt, explosive and gentle gesture made from sound itself without reference to previous notions of melody or harmony are now reissued on 180 gram vinyl with **Sun Ra's** original, self-created cover art. Recorded by **Richard Alderson** on April 20, 1965, this set of tunes finds Sun Ra breaking ground by using synthesizers and having the Arkestra musicians double on percussion. Remastered on 180 gram vinyl.
