### DESCRIPTION

In an unprecedented international collaboration, Energy Exchange Records presents *The Napoli Exchange* – the brainchild of Energy Exchange Records co-founders, **Lewis and Ziggy**, joining forces with producer and label boss **Federico Gallotti (Tartelet/La Scimmia)**. The project was inspired by numerous visits to Naples, allured by the mediterranean breeze and of course the underground disco and funk forged by labels such as Early Sounds and Periodica Records. This meeting of minds created an opportunity to build bridges from the historic Italian city to the broader European scene of club crossover music.
