DESCRIPTION

Spending their early years on the streets of the Bronx, **The Martinez Brothers** went on to tour the world with dance music royalty such as **Dennis Ferrer**, **Erick Morillo**, and **Louie Vega** before they'd even finished high school. This 23-track mix therefore includes respected names like Chicago innovator **Paul Johnson** and Detroit multi-instrumentalist **Amp Fiddler**. Three exclusive Martinez Brothers tracks stud the 75-minute offering. "Jam Joint" is a hypnotic, stripped-back groover whilst the lead single "Mistakes" is a more tech-oriented offering. **Roots Orchestra**, aka the prodigious **Timmy Regisford**, brings noteworthy percussive roots slant to the New York house electronic collection. The stand-out collaboration with New York house aficionado Louie Vega on the soulful "Let It Go (TMB Alternate Version)" convincingly rounds up the comp. Features **Tom Flynn**, **Amp Fiddler**, **Varhat**, **Cabanne**, **Frak**, **Blaze**, **Piano Man**, **Funky People**, **Cassio Ware**, **Sangre Voss**, **The Bayara Citizens**, **Joe (Joaquin "Joe" Clausell)**, **Kai Alce**, **Azulu Phantom**, **Big Strick**, **Glen Lewis**, **Mjojo & Bongani**, **Dennis Ferrer**, **Love Letters**, **Dan Curtin**, **Brinton McKay**, **Abe Duque**, **Trevor Rockcliffe**, **Blake Baxter**, **Carl Cox**, **Paul Johnson**, **Party Crashers**, **Sir Lord Commix**, and **K. Alexi Shelby**.

Double-LP vinyl release shows off 12 tracks from the compilation in their full, unmixed finery. The 12 house bangers include the two exclusive Martinez Brothers tracks: "Jam Joint" and "Mistakes". **Mahony & Floog**'s "Nu Mai" is fresh for this mix out later in the year on Vatos Locos. Double-LP also features Tom Flynn, Amp Fiddler, Frak, Sangre Voss, Roots Orchestra, Big Strick, Glen Lewis, Mjojo & Bongani, Dennis Ferrer, Love Letters, Dan Curtin, Brinton McKay, and Abe Duque. Gatefold sleeve; includes download code.
