### DESCRIPTION

After a ten-year hiatus, the Swedish country band **Bourbon Boys** announces that their brand-new album *Forever Rebels* will be out on Faravid Recordings. *Forever Rebels* is the third album in the band's discography, and is preceded by *Shotguns, Trucks & Cattle* (2013) and *Hail to the Chief* (2013). The band has previously been awarded two Swedish Gold Awards; for the singles "Hillbilly Heart" (*Shotguns, Trucks & Cattle*) and "Taxman" (*Hail to the Chief*). *Forever Rebels* delivers a classic guitar-driven country sound with influences taken from, among others, seventies outlaw legends and rocking country from the later decades. The album offers ripping chicken pickin' guitars and steady trainbeats – but also low-key ballads with lyrics that tell about broken lives, an unforgiving nature, and indomitable love. Each of the tracks can be linked to a moment in the daily life on the countryside, written with words deeply rooted in a hard-working rebel heart, with love for family, the animals and freedom.
