### DESCRIPTION

Ten brand new songs mixed and mastered by **Jack Endino (Nirvana, Soundgarden, Mudhoney)**. This last and formerly retail fourth band's LP takes intense power, giving the sound another stratospheric dimension after Mr. Endino treatment. Having past 28 years since the last LP (*Fuzz Godz*, 1996, a **Kent Steedman** production) and after the rebirthing of the band and come-back from the vaults of oblivion, **La Secta** take the right decision to record ten brand new songs now with the hand of Jack Endino behind the mixes and masterization, from his Seattle studio, not able to come to Spain due personal health issues. Ten songs surfing from psych rock and dark psychedelia through the Aussie Rock and raw folk to ranking psych jungle and the darker **Stooges** with some groovy garage, grunge and surround psychedelic elements.
