Release Date
01/27/17

Territory
NORTH AMERICAN EXCLUSIVE

Genre
FILE UNDER - P - ROCK

DESCRIPTION

2011 release. Goodfellas present a reissue of **Picchio Dal Pozzo's** self-titled album, originally released in 1976. Picchio Dal Pozzo can be considered as the definitive "Canterbury"-inspired band coming from Italy's 1970 progressive rock scene. Their 1976 debut album shows an incredibly rich sound tapestry, made out of some peculiar ingredients. Oblique tunes and liquid harmonies, airy flutes, crispy horns, loads of electric piano and fuzz bass, drops of jazz, pop romanticism, waves of minimalism and deep pataphysical vocals and lyrics. The whole album develops through a sequence of highly composed material and wide open sound forms. A deep journey through a multi-layered soundscape with echoes of **Hatfield & The North**, **Soft Machine**, **Robert Wyatt** and **Zappa**. Picchio Dal Pozzo's first work was out on Grog Records and subsequently reissued only in Japan (Grog Records was an independent label known for releasing the work of Italian underground pop groups of the seventies such as **Corte Dei Miracoli**, **Latte e Miele** and **Celeste**). 180 gram vinyl. "One of the most original, impressive and highly respected of all the experimental groups to have come out of Italy in the 1970s" -**Chris Cutler**.

TRACKLISTING

- A1. Merta
- A2. Cocomelastico
- A3. Seppia
 - 1. Sottotitolo
