## DESCRIPTION

Glossy Mistakes presents *Atlantic Mavericks: A Decade of Experimental Music in Portugal 1982-1993*, a groundbreaking double LP compilation that offers a unique glimpse into the vibrant landscape of Portuguese experimental music. This monumental release showcases the evolution and innovation of the Portuguese music scene during a transformative decade marked by political upheaval and artistic experimentation. Compiled by **Glossy Mario** and featuring liner notes by **Rui Miguel Abreu**, *Atlantic Mavericks* captures the essence of a generation of artists who dared to challenge conventions and push the boundaries of what was possible in music. The compilation stands as a testament to the eclecticism of the Portuguese music scene during this period, featuring a diverse range of genres and styles. From ambient and new age to electro, rock, and synth-pop, *Atlantic Mavericks* offers something for every listener, inviting them to explore the rich tapestry of sounds that defined the era. The 1980s in Portugal were a time of profound transformation, marked by the aftermath of a peaceful revolution and a burgeoning desire for artistic expression. As the country emerged from political turbulence, a new generation of musicians began to explore uncharted territories, paving the way for a wave of experimentation and innovation. From the emergence of artists like **Rui Veloso** and bands like **UHF**, who ushered in a new era of Portuguese rock, to the founding of independent record labels like Fundação Atlântica and Ama Romanta, the 1980s saw a surge in creativity and a desire for independence within the music industry. Each song on this album tells a story of artistic evolution and creative risk-taking, reflecting the diverse influences and eclectic tastes of the Portuguese music scene during this transformative decade. Spanning from 1982 to 1993, the compilation includes contributions from a wide range of artists, including **SPQR**, **Croix Sainte**, **Linha Geral**, **Balladium**, **Ban**, **Santa Maria**, **Gasolina Em Teu Ventre!**, **Fé de Sábio**, **Nuno Rebelo**, **Vítor Rúa**, **Tó Neto**, **Luis Cilia**, **Pilar**, **Carlos Maria Trindade**, **Balladium**, **Pop Dell'Arte**, and **Telectu**. With each track carefully curated to showcase the breadth and depth of Portuguese experimental music, *Atlantic Mavericks* promises to be a must-have for music enthusiasts and adventurous listeners alike.
