DESCRIPTION

Glossy Mistakes announces the upcoming release of *Momento Claro*, the latest full-length album by Portuguese artist **funcionário**. *Momento Claro*, inviting listeners to embark on a profound auditory exploration. Following the success of his previous work *Cavalcante*, released on Hozulam, funcionário returns delving deep into the realms of ambient and Fourth World, inspired by the likes of **Jon Hassel**, **Brian Eno**, and Japanese environmental artist such as **Hiroshi Yoshimura** and **Takashi Kokubo**. *Momento Claro* offers a sonic tapestry rich with textures and layers, evoking a sense of spirituality and introspection. A split second. At the heart of the album lies a collection of eight tracks, each a testament to funcionário's craft. The journey begins with "Esperança," a mesmerizing nine-minute meditation adorned with the soothing sounds of the ocean, setting the tone for the ethereal voyage ahead. From the tranquil atmospheres of "Retrato" to the contemplative depths of "Momento Claro," each composition invites listeners to immerse themselves fully in the sonic, dream-like landscape crafted with care and depth. Here a glimpse into the intricacies of day-to-day experiences and interactions collide throughout a collage of organic layers, atmospheres and approaches, *Momento Claro* serves as a poignant reflection on the contemporary working society, where "the power of sound as a bridge between memory and the imagination that interprets it." Mastered by **Damian Schwartz**, *Momento Claro* achieves a sonic clarity that enhances the album's immersive qualities, ensuring that each note resonates with precision and depth. Prepare to be transported to a realm where time stands still and the boundaries between reality and reverie blur. A deep journey that promises to captivate the mind and nourish the soul.
