DESCRIPTION

Morton Feldman's last composition, *Piano, Violin, Viola, Cello*, was completed in 1987; although its instrumentation largely corresponds to that of *Piano and String Quartet*, with one instead of two violins, it differs in almost every other respect from the composition written only two years earlier, for here, in contrast to *Piano and String Quartet*, Feldman makes every effort to integrate the piano into the string section, and the basic formal components of the composition are no longer staves, as they were in *Piano and String Quartet*. Double LP with 4th side etched.
