Store Price

\$81.19

Release Date

08/30/24

Territory

NORTH AMERICAN EXCLUSIVE

Genre

FILE UNDER - H - ROCK

**GOD
RECORDS**

DESCRIPTION

Mick Harris has been an epitome of extremes: either as a drummer or as a sound sculptor and explorer of crushing beats, heavy bass or darkest soundscapes. Through the last 30 years, Harris has been an utterly prolific electronic artist (**Monrella, The Weakener, Fret, Quoit**), but known mostly for his famous project **Scorn**. At the beginning of the century, Harris started one of his longest-standing projects, *HedNod*. Alongside Scorn, *HedNod* turned out to be his most fruitful project, which in the meantime made up of as many as twenty volumes. GODrec is happy to announce the first instalment of *HedNod* boxes, featuring EPs that were originally available only as a download.
