### DESCRIPTION

**Hugo's True Spirit** deliver a lush, sonic love letter of rock, electronica and dramatic orchestration, based in blues, hypnotic repetition and sonic exhilaration. **Michelangelo Russo** is a huge part of this atmosphere; his approach to music is that of an artist with a palette of mysterious implements and machinery, but the entire band and production is incredible from start to finish. *Starbirth* is 48 minutes of mind expanding, mind blowing, heel tapping tunes. *Starbirth* is international maverick and music icon **Hugo Race's** 15th album with his band of True Spirits. CD version (GRAM 2009CD) contains bonus disc *Stardeath*, recorded at the same session as *Starbirth* but only available digitally and on compact disc. *Stardeath* is a dub version of remixes that will send you searching for your own exploding star somewhere in the sky.
