DESCRIPTION

Hugo Race (Dirtmusic, Fatalists, ex-Bad Seeds) and **Michelangelo Russo (True Spirit)**, fuse rock, blues, ambient and electronic sounds on their raw, compelling new album *100 Years*. In 2017, the duo released *John Lee Hooker's World Today*, a tribute to the blues legend's delta blues legacy reinvented in a swirling mix of analog grit and deep trance pulses. *100 Years* showcases the duo's sonic chemistry against Race's stark songwriting. Inspired by the raw majesty of early blues recordings, the album was recorded in two days in a non-stop live Hugo Race and Michelangelo Russo *100 Years* session. Amplified harmonica, open-tuned guitars, smoky vocals and primal foot beat walk listeners through a landscape of dreamlike devastation, a hypnotic wall of sound suspended in time and space celebrating endurance and redemption, hand-made from ancient roots.
