DESCRIPTION

Alowan is the side of **16 Horsepower** that has not been heard before. As a founding member of the alternative country band from Denver, Colorado, **Tolas'** arrangements, music and influence in the band was always clearly present through their career. This is a more personal and intimate vision. In collaborations with a few friends and musicians, *Feathers* is a body of work to be reckoned with. Tola presents ten beautiful and dark folk songs. **Chantal Acda**, the main vocalist, will carry you to the clouds with her light but deep tones and poetic lyrics. Alowan takes her to new territories and her talent shows. The Texan **Calvin Dover (Dover Brothers)** accompanies her on a couple of tracks making the duet irresistible. A few others join Tola in this project, such as **Steve Taylor** (former 16 Horsepower guitar player) and **Theo Hakola** of the famed **Orchestre Rouge** and **Passion Fodder**.
