DESCRIPTION

Regarded as one of the best European progressive rock albums from the '70s, the sole release by Belgian group **Waterloo** was originally released on the Vogue label in 1970. Entirely sung in English, *First Battle* is a blend of progressive rock, psychedelia and heavy prog with top guitar/organ, flute and obvious **Jethro Tull** influence but with something else really of their own, making a very special album. First officially reissued in 2017 and long out of print, Guerssen presents an improved reissue in hard cardboard sleeve with OBI and insert featuring liner notes and photos.
