DESCRIPTION

With their roots traced in two legendary '60s garage bands, **The Outcasts** and **The Stoics**, **Homer** were without doubt one the best psychedelic/hard-rock outfits coming out from Texas. *Grown in U.S.A* was their only album, released as a private pressing in 1970. Rural psychedelic rock with early prog hints fueled by stunning lead/dual guitar, melodic vocals and occasional mellotron. Featuring original artwork in hard cardboard sleeve plus OBI, with newly sourced and remastered sound. Includes insert with liner notes and photos.
