DESCRIPTION

Hidden Harmony presents the first full-length LP from Estonian composer and keyboardist **Volodja Brodsky**. The six compositions on *Whispering Ln.* were entirely recorded during Brodsky's trip to the USA in 2018-2019 and showcased his passion for the transformative power of minimalism as an art form. The follow-up to his keyboard duties on psych funk/rare groove Estonian outfits **Estrada Orchestra**, **Centre El Muusa**, **Misha Panfilov Septet**, on *Whispering Ln.* Brodsky reinventing himself as a minimalism evangelist in his own right. From space age pop shimmering sonatas to the monolithic drone/overtone hypnotics, Brodsky created an ascetic yet complex sonic landscape where less is more. Mastered by **Jörgen Hermaste** (Aine Lomalla studio). Design and layout by **Ilja Tulit**. Liner notes by Volodja Brodsky.
