DESCRIPTION

Dive into **Sreya & Cilon**'s first LP, *Atenção com Coração*. With bossa nova tunes, this project delivers caring and beautiful messages about self-realization and living in the present moment. *Atenção com Coração* is more than an album; it's a journey into self-discovery and moments of contemplation. The lyrics, elegantly simple yet profound, convey direct ideas while weaving narratives from everyday life. The songs resonate with the theme of realizing one's potential on life's odyssey. Whether portraying nature as a nurturing mother or exploring the worship of the sea goddess Yemanjá rooted in Brazilian and African traditions, the album offers an extraordinary journey. The musical break likens the morning sun to the bliss of being alone and finding oneself. The soft tone creates a sensorial experience, inviting you to embark on a contemplative musical exploration. The enchanting melodies of *Atenção com Coração* make it a superb neo-bossa album, setting the perfect tone for the return of summer. Immerse yourself in the soothing rhythms and contemplative lyrics as you let the music accompany your moments of sunshine and warmth. This musical masterpiece captures the essence of the season, making it your ideal soundtrack for the summer days ahead.
