### DESCRIPTION

Born in Poti, near Lake Paliastomi in Georgia, **Nino Gvilia** is a singer-songwriter whose lyrics offer up meditations on what it is to be human in the 21st Century, and aim to carry listeners beyond into ecology and the politics of the non-human world. Her songs are influenced by folk and minimalism and make use of magnetic tapes, field recordings, vocal samples of contemporary thinkers and philosophers, and an array of strange instruments and vintage textures, drawing for us an intense dreamlike atmosphere. However, Nino Gvilia does not exist. She is a purely fictional character invented in order to help reflect on the place of the songwriter in times of global crisis.
